

MANAUS

HERE BEGINS THE UNFORGETTABLE ADVENTURE

VISITE O AMAZONAS

Tourism in the Amazon is great for its fascinating diversity of landscapes, fauna, flora, handicrafts, folklore and cuisine. Its abundant nature is exotic, magical and is the main star of this beautiful setting

VISITE O AMAZONAS

Manaus is wonderful

The capital of Amazonas is the gateway to the largest ecological reserve in the world, the Amazon rainforest.

The city offers the visitors various types ample hotel chain, with hotels and urban jungle, regional and international cuisine, folklore and rich in ethnic handicrafts, legends and mysteries.

Manaus has a rich historical and cultural patrimony and special tours offer the opportunity to meet, learn to respect the forest and people.

It is also a contemporary and dynamic city with a strong industrial district, modern shopping malls and convention centers for events of any size.

On vacation, business or just to breath the cleanest air on the planet, your next trip to the Amazon, will be unforgettable.

City Pictures

Manaus and their attractions

City Tour

At the height of the rubber cycle, Manaus was known as the "Paris Brazilian" and was the latex that has brought prosperity, luxury and wealth for the region. This is an essential tour to understand the grandeur of architectural collection in the middle of the Amazon rainforest.

Seringal Museum

The life and customs of old rubber plantations in the Amazon. Paradise Village is a scenic city used in the movie "The Jungle," which later the Government of the State of Amazonas, through the Department of Culture, became the Museum of the Seringal

Tour Meeting of the Waters

The Meeting of Waters is a natural phenomenon caused by the confluence of the Rio Negro with dark water and the muddy waters of the Solimões River.

Survival Tour Jungle

The tour to know the identity of the forest, walk through and have knowledge of the fauna, flora and products that the forest provides, with the opportunity to see closely the habits and customs of an authentic Indian village.

Cachoeiras Presidente Figueiredo

A cidade, que é entrecortada por igarapé, apresenta vegetação nativa sendo ideal para a prática de ecoturismo oferecendo como atrativos: trilhas, cachoeiras, cavernas, paredões e corredeiras.

The charm of Rio Negro

sailing up on Negro river till the deck of Pink Dolphin. You may swim or simply take pictures of the Pink Dolphin. Then, there's a visit to the Rubber Plantation Museum. Return to Tropical Hotel with estimated arrival at 01:00 pm.

The magic of Boi Bumba ... Our folklore

The bumbá ox is the highest folk representation of northern Brazil

Gastronomia saborosa e única.

Com uma variedade tão grande de peixes, a culinária amazense tinha mesmo que valorizar seu pescado. Os restaurantes locais oferecem peixes e outras iguarias em seus cardápios, junto com as saborosas frutas regionais que agradam e seduzem os paladares mais exigentes. Entre eles, destacamos:

Frutas
Regionais

Dona Zefina
Bistrô

Peixaria
Poraquê

Restaurantes

Choupana
Cozinha Regional

Banzeiro Cozinha
Amazônica

Churrascaria
Búfalo
